E-Tendering Procedure and Special Instructions to the Contractors or Bidders for the-submission of the bids online through this e-Procurement Portal

1. Tender Forms can be downloaded from e-Tendering Portal of Government of Maharashtra i.e. <http://www.mahatenders.gov.in> after entering the details of payment toward Tender Fees as per the Tender Schedule / Tender Notice.
2. The tender submitted by the Contractor/ Bidder shall be based on clarification, additional facility issued (if any) by the Department, and this tender shall be unconditional. Conditional tenders will be summarily REJECTED.
3. All Contractor/ Bidder are cautioned that the tenders containing any deviation, from the contractual terms and conditions, specifications or other requirements, and conditional tenders will be rejected as non-responsive.
4. Contractor/ Bidder should have valid class II / III digital signature certificates (DSC) obtained from any certifying Authorities. In case of requirements of DSC, interested Bidders should go to <http://mahatenders.gov.in>, information about DSC and follow the procedure mentioned in the document procedure for application of **"Digital Signature Certificate"**.
5. Bidder should do Online Enrolment in this Portal using the option Click Here to Enroll available in the Home Page. Then the Digital Signature enrolment has to be done with the e-token, after logging into the portal. The e-token may be obtained from one of the authorized Certifying Authorities such as eMudhra CA /GNFC IDRBT TNL Trustline/ Safe Script /TCS.
6. Bidder then have to login into the portal using their user id / password chosen during enrolment.
7. The e-token that is registered should be used by the bidder and should not be misused by others.
8. DSC once mapped to an account cannot be remapped to any other account. It can only be deactivated.
9. The Bidders can update well in advance, the documents such as certificates, purchase order details etc. under **"My Documents"** option and these can be selected as per tender requirements and then attached along with bid documents during bid submission. This will ensure lesser upload of bid documents.
10. After downloading / getting the tender schedules, the Bidder should go through them carefully and then submit the documents as per the tender otherwise, the bid will be rejected.
11. The BOQ template must not be modified/ replaced by the bidder and the same should be uploaded after filling the relevant columns, else the bidder is liable to be rejected for that tender. Bidders are allowed to enter the Bidder Name and Values only.

12. If there are any clarifications, this may be obtained online through the e-Procurement Portal, or through the contact details given in the tender document. Bidder should take into account of the corrigendum published before submitting the bids online.
13. Bidder, in advance, should prepare the bid documents to be submitted as indicated in the tender schedule and they should be in PDF/XLS/RAR/DWF formats. If there is more than one document, they can be clubbed together.
14. E.M.D. should be paid through online payment gateway mode only.
15. The bidder reads the terms and conditions and accepts the same to proceed further to submit the bids.
16. The bidder has to submit the tender document(s) online well in advance before the prescribed time to avoid any delay or problem during the bid submission process.
17. There is no limit on the size of the file uploaded at the server end. However, the upload is decided on the Memory available at the Client System as well as the Network bandwidth available at the client side at that point of time. In order to reduce the file size, bidders are suggested to scan the documents in 75-100 DPI so that the Clarity is maintained and also the size of file also gets reduced. This will help in quick uploading even at very low band width speeds.
18. It is important to note that, the bidder has to click on the "**Freeze Bid**" Button, to ensure that he /she completes the Bid Submission Process. Bids which are not "**Frozen**" are considered as Incomplete /Invalid bids and are not considered for evaluation purposes.
19. The Tender Inviting Authority (TIA) will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders due to local issues.
20. The bidder may submit the bid documents online mode only, through this portal. Offline documents will not be handled through this system.
21. At the time of freezing the bid, the e-Procurement system will give a successful bid submission message after uploading all the bid documents and then a bid summary will be shown with the bid no., date & time of submission of the bid with all other relevant details. The documents submitted by the bidders will be digitally signed using the e-token of the bidder and then submitted.
22. After the bid submission, the bid summary has to be printed and kept as an acknowledgement as a token of the submission of the bid. The bid summary will act as a proof of bid submission for a tender floated and will also act as an entry point to participate in the bid opening event.

23. Successful bid submission from the system means, the bids as uploaded by the bidder is received and stored in the system. System does not certify for its correctness.
24. The bidder should see that the bid documents submitted should be free from virus and if the documents could not be opened during tender opening, the bid is liable to be rejected.
25. The time that is displayed from the server clock at the top of the tender Portal, will be valid for all actions of requesting bid submission, bid opening etc., in the e-Procurement portal. The Time followed in this portal is as per Indian Standard Time (IST) which is GMT+5:30. The bidders should adhere to this time during bid Submission.
26. All the data being entered by the bidders would be encrypted at the client end, and the software uses **PKI encryption** techniques to ensure the confidentiality of the data. The data entered will not be viewable by unauthorized persons during bid submission are not viewable by any one until the time of bid opening. Overall, the submitted bid documents become readable only after the tender opening by the authorized individual.
27. During transmission of bid document, the confidentiality of the bids is maintained since the data is transferred over **Secured Socket Layer (SSL)** with 256 bit encryption technology. Data encryption of sensitive fields is also done.
28. The bidders are requested to submit the bids through online e-Procurement system to the TIA well before the bid submission end date and time (as per Server System Clock).
29. Bidder Manual Kit available on website www.mahatenders.gov.in
30. Bidders who are using SB MOPS other banks Internet Banking are requested to make online payment four days in advance. (Details are on website www.mahatenders.gov.in).
31. Online Payment Guide For SBI Corporate Internet Banking Account Holder.
32. For any assistance on the use of Electronic Tendering System, the Users may call the below numbers 24x7 Toll Free Telephonic Help Desk Number 1800-3070-2232, Mobile No.7878007972 - 73 / 7878107985 - 86 OR Email - www.mahatenders.gov.in.

General Condition of Tender

1. Earnest Money.

Earnest money in the form of cheque or cash will not be accepted. EMD should be paid through online payment mode only. The earnest money will be refunded in due course in case of Contractor/ Bidder whose tenders are not accepted. In case of successful Contractor/ Bidder the Earnest money will be refunded after recovering initial security deposit and completion of contract documents by the Contractor/ Bidder. The amount of Earnest Money will be forfeited to Government in case the successful contractor does not pay the amount of initial security deposit within specified time limit. Bidders / Companies/Contractors registered with MSME/NSIC /SSI are exempted from Earnest Money Deposit. Required certificate issued by respective government departments should be submitted to avail this EMD exemption

2. SUBMISSION OF TENDER:-

Tender documents will be available on the website www.mahatenders.gov.in upto the date and time as mentioned in the Tender notice. Bidders who wish to participate in this tender shall have to register on this website. Bids must be submitted online through www.mahatenders.gov.in not later than the time and date specified in this tender document.

Department may, at its discretion, extend this deadline for submission of bids by amending the bid documents, in which case all rights and obligations of Commissioner of Police Navi Mumbai. No bid may be modified after the deadline for submission of the bids.

No bid may be withdrawn in the interval between the deadline for submission of bids and the expiration of the period of the bid validity specified by the Bidder on the Bid Form. Withdrawal of a bid during this interval shall result in the Bidder's forfeiture of its bid EMD.

3. TENDERS OPENING:

Commissioner of Police Navi Mumbai will open all bids (only Technical Bids at the first instance) through the e-Tendering website of www.mahatenders.gov.in. Technical Tender Opening date as mentioned in tender notice. In the event of the specified date of Bid opening being declared holiday for the tendering Authority, the Bid shall be opened at the appointed time and location on the next working day.

Commercial Bids of only those Bidders who qualify on the basis of evaluation of technical bid will be opened at pre-specified time and date which will be communicated to the qualified Bidders well in advance.

Proposal Preparation Costs:

Commissioner of Police Navi Mumbai shall not pay any costs associated with the preparation, submittal, or presentation of any proposal or for any survey/requirement gathering work carried out by the bidders.

Tender Amendment and Cancellation:

Commissioner of Police Navi Mumbai reserves the unilateral right to amend this tender in writing at any time. Commissioner of Police Navi Mumbai also reserves the right to cancel or reissue the tender at its sole discretion. If an amendment is issued it shall be provided to all vendors, whose intent to respond to this tender is known. Bidders shall respond to the final written tender and any exhibits, attachments, and amendments

Right of Rejection:

Commissioner of Police Navi Mumbai reserves the right, at its sole discretion, to reject any and all proposals or to cancel this tender in its entirety. Any proposal received which does not meet the requirements of this tender may be considered to be non-responsive, and the proposal may be rejected. Bidders must comply with all of the terms of this tender and all applicable Constitutional laws and regulations. Commissioner of Police Navi Mumbai may reject any proposal that does not comply with all of the terms, conditions, and performance requirements of this tender. Commissioner of Navi Mumbai reserves the right, at its sole discretion, to waive variances in technical proposals provided such action is in the best interest of Commissioner of Police Navi Mumbai. Where Commissioner of Police Navi Mumbai waives variances in proposals, such waiver does not modify the tender requirements or excuse the Bidder from full compliance with the tender. Notwithstanding any variance, Commissioner of Police Navi Mumbai may hold any Bidder to strict compliance with the tender.

Compliance To Tender Enquiry Document:

Tender should be in exact compliance to the tender enquiry conditions. All Annexures Duly filled up along with necessary documentation as requested in the tender enquiry and / or required to support Successful Bidder's claim must be enclosed with the tender in the first instance itself. Bidders have to specifically confirm the compliance to the tender enquiry conditions along with deviations, if any, specifically highlighted as deviation statement. Even if there are no deviations to tender enquiry, a **NIL deviation** form is required to be submitted with nonapplicable clauses struck off. Any willful attempts by the Successful Bidder to camouflage the deviations by not mentioning them in the prescribed format may render the bid itself non responsive. In case the deviations are to be necessarily mentioned somewhere else in the bid, explicit reference of the same should also appear in the declaration for deviations.

Detailed Scope of Work:

Scope of the job includes, but is not limited to, supply, design, installation, implementation, testing and commissioning, training, providing user manual, providing warranty for the total solution including all hardware, software, materials, services, training and support etc. for providing so as to fulfill the objectives listed in this document. All necessary manpower(Operators)/ cabling / wiring / sockets and allied infrastructure conforming to respective quality / standard norms are also included in the scope of this job.

Performance Bank Guarantee:

The bidder(s) with whom the contract is decided to be entered into and intimation so given will have to make a Performance Bank Guarantee inclusive of Security Deposit for an amount equivalent to 3 % of the Purchase Order / Contract value (excluding recurring charges), which shall be valid for a minimum period of six (06) months. The Bank Guarantee on stamp paper of requisite value shall be accepted only from Scheduled Indian Banks. All Bank Guarantees shall be unconditional and encashable on presentation to the issuing Bank. On receipt of CPBG, the EMD of the bidder will be returned. In case successful bidder fails to submit a valid CPBG of required amount within 07 days from the date of intimation of acceptance of its tender, Commissioner of Police Navi Mumbai reserves the right to cancel the order and forfeit its EMD.

Performance Testing And Warranty:

The Successful Bidder shall carry out the performance test run of the complete system at site after satisfactory installation/ implementation under his supervision. Training of operators should be as per details mentioned in this document after commissioning of the system without any extra cost to Commissioner of Police Navi Mumbai . The system provided should be guaranteed / warranted for any kind of defects and satisfactory performance for a period of "Entire Recruitment Process" from the date of acceptance / final sign off obtained from concern official of Commissioner of Police

Navi Mumbai . Such Guarantee/Warranty would be applicable In case of Judicial or administrative proceedings aroused if any.

4. TENDERDOCUMENT:

Information regarding contract as well as blank tender forms can be downloaded from the e- Tendering Website.

5. TIMELIMIT:

The work is to be completed within time limit as specified in the N.I.T., which shall be reckoned from the date of written order for commencing the work and shall be inclusive of monsoon period.

6. TENDERRATE:

No alteration in the form of tender, schedule of tender and the scope of special stipulations will be permitted. Rates quoted for the tender shall be taken as applicable for all leads and lifts.

7. TENDERUNITS:

The tenderers should particularly note the units mentioned in the Schedule "B" on which the rates are based. No change in the units shall be allowed. In the case of difference between the rates written in figures and in words, the correct rate will be the one, which is lower of the two.

8. CORRECTION:

No corrections shall be made in the tender documents. Any corrections that are to be made shall be made by crossing the incorrect portion and writing the correct portions above with the initials of tenderer.

9. CONDITIONAL TENDER:

The tenders who do not fulfil the condition of the notification and the general rules and directions for the guidance of contractor in the agreement form or are incomplete in any respect are likely to be rejected without assigning any reason therefore. The Tenderers shall be presumed to have carefully examined the drawings, conditions and specifications of the work and have fully acquainted themselves with all details of the site, weather characteristics, labour conditions and in general with all the necessary information and data pertaining to the work, prior to tendering for the work. The data what so ever supplied by the Department along with the tender documents are meant to serve only as guide for the tenderers while tendering and the Department accepts no responsibility whatsoever either for the accuracy of data or for their comprehensiveness. The quantities provided in the sanctioned estimate are as per survey conducted by the Department. The Bidder/Contractor should however examine

the said quantities and see whether full quantity of materials required for execution of the work strictly as per specification are available in these source before quoting the rates. In case the materials are not available due to reasons whatsoever, the contractor will have to bring the materials from any other source with no extra cost to Government. The rates quoted, quality and make of the material should not hamper.

10. POWER OF ATTORNEY:

If the tenderers are a firm or company, they should in their forwarding letter mention the names of all the partners together with the name of the person who holds the power of Attorney, authorizing him to conduct all transactions on behalf of the body, along with the tender. The Income Tax at 2.00 % including surcharge or percentage in force from time to time or at the rate as intimated by the competent Income Tax authority shall be deducted from bill amount whether measured bill, Advance payment or secured advance.

11. GST (Goods and service Tax) Act.2017

GST Registration and TDS over GST It is mandatory for the bidders to register themselves under GST and the documentary proof should be submitted in Envelope -1 The section 51 of the CGST & MGST Act. Provides that every department or establishment of the Central Government or the State Government to deduct tax at source (TDS) at the rate of 1% each for MGST and CGST from the payment made to the deducted. Thus total value of deduction would be 2%Note -1) In case of interstate supply TDS is 2% under IGST.

12. VALIDITYPERIOD:

The offer shall remain open for acceptance for minimum period of 180 days from the Date of opening of Financial Bid and thereafter until it is withdrawn by the contractor by notice in writing duly addressed to the authority opening the tender and sent by Registered Post Acknowledgment due.

The Tendering Authority shall be responsible for the following activities during the course of the assignment:

- i. Provide information/data/clarifications for all issues.
- ii. The Tendering Authority shall appoint at the Commencement of the Project one or two of its representatives as a coordinator who shall act as a single point of contact with the Vendor during the conduct of the Project.

ANNEXURE-A

A) The software solution must accommodate the specific workflow stages detailed below for each category:

1. Category: Police Constable

- i. Pre-qualified Forms of all candidates who have submitted application forms.
- ii. Registration, Biometric, and Recent Photo Capture of candidates in the software.
- iii. Physical Measurement:
- iv. i. Generation of ID Forms with Chest Numbers for eligible candidates.
- v. ii. Generation of Memo/Notice for Ineligible Candidates.
- vi. System Generated Scorecard (Detailed Form) essential for the Physical Efficiency Test (PET) / Field Test.
- vii. System Generated Scorecard for 1600 m / 800 m run and 100 m run.
- viii. Entry of Scores obtained in the Physical Efficiency Test into the software.
- ix. Preparation of Provisional and Final Lists of candidates qualified in the Physical Efficiency Test for the Written Examination, as per the 1:10 ratio.
- x. Preparation of OMR Sheets for candidates qualified for the Written Examination as per the 1:10 ratio.
- xi. Mandatory Biometric Verification of candidates during the Written Examination.
- xii. Scanning and Uploading of OMR Sheets after the Written Examination.
- xiii. Preparation and Publication of the Combined Provisional and Final Select List/Waiting List based on the scores from the Physical Efficiency Test and the Written Examination.

2. Category: Police Constable (Driver)

- i. Pre-qualified Forms of all candidates who have submitted application forms.
- ii. Registration, Biometric, and Recent Photo Capture of candidates in the software.
- iii. Physical Measurement:
- iv. i. Generation of ID Forms with Chest Numbers for eligible candidates.
- v. ii. Generation of Memo/Notice for Ineligible Candidates.
- vi. System Generated Scorecard (Detailed Form) essential for the Physical Efficiency Test (PET) / Field Test.
- vii. Candidates who qualify in the Physical Efficiency Test (PET) will undergo a Skill Test (It is mandatory to secure 50% marks).
- viii. Preparation of the Provisional and Final Lists of candidates who qualify in the Skill Test for the Written Examination, as per the 1:10 ratio.
- ix. Entry of Scores obtained in the Physical Efficiency Test into the software.
- x. Preparation of Provisional and Final Lists of candidates qualified in the Physical Efficiency Test for the Written Examination, as per the 1:10 ratio.
- xi. Preparation of OMR Sheets for candidates qualified for the Written Examination as per the 1:10 ratio.
- xii. Mandatory Biometric Verification of candidates during the Written Examination.
- xiii. Scanning and Uploading of OMR Sheets after the Written Examination.
- xiv. Preparation and Publication of the Combined Provisional and Final Select List/Waiting List based on the scores from the Physical Efficiency Test and the Written Examination.

3. Category: Police Constable (Bandsman)

- i. Pre-qualified Forms of all candidates who have submitted application forms.
- ii. Registration, Biometric, and Recent Photo Capture of candidates in the software.
- iii. Physical Measurement:
 - a. Generation of ID Forms with Chest Numbers for eligible candidates.
 - b. Generation of Memo/Notice for Ineligible Candidates.
- iv. System Generated Scorecard (Detailed Form) essential for the Physical Efficiency Test (PET) / Field Test.
- v. Candidates who qualify in the Physical Efficiency Test (PET) will undergo a Skill Test (It is mandatory to secure 50% marks).
- vi. Preparation of the Provisional and Final Lists of candidates who qualify in the Skill Test for the Written Examination, as per the 1:10 ratio.
- vii. Entry of Scores obtained in the Physical Efficiency Test into the software.
- viii. Preparation of Provisional and Final Lists of candidates qualified in the Physical Efficiency Test for the Written Examination, as per the 1:10 ratio.
- ix. Preparation of OMR Sheets for candidates qualified for the Written Examination as per the 1:10 ratio.
- x. Mandatory Biometric Verification of candidates during the Written Examination.
- xi. Scanning and Uploading of OMR Sheets after the Written Examination.
- xii. Preparation and Publication of the Combined Provisional and Final Select List/Waiting List based on the scores from the Physical Efficiency Test and the Written Examination.

B) SCOPE OF WORK AND TECHNICAL SPECIFICATION OF RADIO FREQUENCY IDENTIFICATION SYSTEM (RFID)

NAVI MUMBAI Police intend to use Radio Frequency Identification (RFID) System with 100% accuracy and for the transparent recruitment process of various posts i.e. Police Constable (Exe.) Male/Female and Police Constable etc. in NAVI MUMBAI Police. The following activities are envisaged for smooth conduct of the recruitment process:

NAVI MUMBAI Police will conduct the Physical Endurance & Measurement Test (PE&MT) of the following posts as per criteria mentioned at Annexure-B1 and B2. NAVI MUMBAI Police reserve the right to increase/decrease the posts and number of candidates.

Requirement of Biometric capturing with fingerprints and photo of candidates, Registration and Admit/ID Card Generation:

1. The Physical Efficiency Test (PET) will be conducted in grounds at venues i.e. Navi Mumbai Police HQ Kalamboli, 410218. The number of grounds & venues may be changed & added as per requirement.
2. Software for Data importing of the candidates from Server, Central database, Biometric capturing with fingerprints and photo of each candidate, Registration and Admit/ID Card Generation is required
3. Approx. 2000 to 3000 candidates per day will be called .
4. The Process recruitment may continue for 45 working days or more depending upon the number of candidates.
5. A group consisting of 20 candidates will be considered in one group for each event.
6. Each ground will have at least 10 registration counters for above registration of the candidates along with Biometrics capture and Photo capture.

7. Independent Server & Networking, Internet Connectivity, All necessary hardware (Computers, Printers, web cam and biometric machines, stationery etc.) will be provided by successful bidder.

Requirement of Radio Frequency Identification (RFID) chip timing technology for conduct of 1600M/800M and 100 M race event:-

1. Approx. 2000 or more candidates per day will be called 1600M/800M and 100 M RACE EVENT.
 2. recruitment may continue for 45 working days or more depending upon the number of candidates.
 3. A group consisting of 20 candidates will be considered in one group for race event.
 4. RFID Base technology along with CCTV Cameras with chips/tags to the candidates along with Biometrics capture and Photo capture.
 - a) Each ground will have sufficient number of CCTV cameras to record the Start/Finish point on the run and also along the running track to cover the full track. (Comprehensive CCTV installed as Navi Mumbai police)
 5. The recorded video shall have the date and time stamp on it.
 6. The Agency will provide sufficient number of RFID scanners chips/tags and chest Bibs to conduct running event of eligible candidates during the race event for accurate time measurement.
 7. Eligible candidates participating in the run are required to put on chest Bibs. The detail would be entered into the candidate's database.
 8. While arriving at the results of the candidates, the time recorded by the system should be taken into account.
 9. Based on the standards of physical endurance test given by NAVI MUMBAI Police, the candidates would be declared qualified/disqualified in the running event.
 10. The result sheet of the candidates of a group shall be generated immediately after completion of their running event. Three lists will be generated:-
 - a) Consolidated list of each group of candidates showing qualified and dis-qualified candidates.
 - b) List of qualified candidates.
 - c) List of dis-qualified candidates.
 11. Report/Result of the runner/candidate is to be handed over to the In charge of Race Event immediately after the completion of run of the individual batch.
 12. Every runner/candidate shall have an individual Start time, Finish time, each lap time and net time.
 13. The Agency would be required to submit daily report in hard and soft copy to the Recruitment Board regarding number of candidates appeared, qualified, dis-qualified and timing etc. of each candidate as per the format provided by the Navi Mumbai Police and each page duly signed by the authorized person of the Agency.
-
1. For Race event – 04 CCTV camera as per ground (2 Cameras at Start/Finish Line and 02 Cameras at ground turns) shall be installed by the Agency.
 2. Cameras specifications: Minimum 3 Megapixel IP Cameras should be installed. HD Resolution. Fixed Cameras Outdoor IP Cameras.
 3. In the video footage, the date, time, chest number and facial features of the candidates should be clear. This should be able to resolve any disputes arising out of any doubts about the authenticity of the RFID based Technology timings and physical measurement.
 4. Period of CCTV data recording: CCTVs must be installed for recording activities of all

Race Events at each ground/venue. The time and date should be displayed on all records. These recordings would be required to be submitted by the Agency to the User Unit at the end of the recruitment.

5. All Data and recording should be provided in Hard Disk daily as well as completion of Recruitment Process along with Certification U/S 65 B of Indian Evidence Act.

Other Requirements:

1. The Agency will engage its experienced Technical Staff at the locations of 1600M/800M and 100 M RACE EVENT, for use of RFID TECHNOLOGY systems and to generate the result of events of the candidates.
2. The Agency will also provide necessary training to the Navi Mumbai Police Personnel deployed in area for use of RFID TECHNOLOGY .
3. Bidder should provide valid calibration certificate of competent authorities like Weight and Measurement Department at the time of Technical Evaluation as well as during all recruitment process for all measuring devices/machines being used.
4. The Agency shall be required to keep safe custody of the recruitment data and operate it for any report generation whenever required by NAVI MUMBAI Police. Any and all corrections in the database will be logged for ensuring its integrity.
5. In the event of any dispute/difference arising at the instance of the candidate who has participated in the running event and PST, the Agency should co-operate with the NAVI MUMBAI Police Officers and provide the recorded registration data, timing & measurement and video footage of such candidates whenever called for without any cost/expenses to NAVI MUMBAI Police.
6. All the systems should be installed and validated by conducting repeated trials for at least three days before the commencement of the PET and PST at each ground/venue.
7. NAVI MUMBAI Police will provide resources like tables, chairs, tents, uninterrupted power supply, necessary lights to conduct PET/PST on the ground and barricading. Basic accommodation to the Agency's Team will be bidder's responsibility.
8. Objections raised by the candidates shall be resolved by the Agency under supervision of officials of NAVI MUMBAI Police deputed for this purposes.
9. After completion of PET & PST process, Agency shall hand over the data along with CCTV recordings of the Venues to the NAVI MUMBAI Police.
10. The Data Security, secrecy and confidentiality should be maintained in all matters at all times at any cost by the Agency.
11. Soft copy of all the records of running event should be preserved by the Agency and supplied to NAVI MUMBAI Police as per requirement.
12. The Agency will provide Completion Certificates or relevant Work Orders from competent authority listing type of services offered.
13. Radio Frequency Identification (RFID) Systems to be used for race event shall contain following characteristics:
 - a) RFID TECHNOLOGY timing system installed at Start Line / Finish Line should be 100% accurate.
 - b) The Start Line / Finish Line should be at least 4 meters in width with main and backup system to facilitate group of runners to run with least interference.
 - c) It is Bidder's responsibility to take care of all the system and accessories provided by him from if any damage caused due to Spikes/Shoes of the candidates. Necessary precautions may be taken to avoid such issues.

- d) The timing system should work in any terrain and should support suppression of Electro Magnetic Field Interference.
- e) The timing system shall have a capability to read any number of RFID TECHNOLOGY chips/tags passing through the Start Line /Finish Line without any miss/failure.
- f) The chips/tags and timing system shall be weather proof and specifically water proof. The equipment shall be able to run even in rain/wet conditions.
- g) The RFID TECHNOLOGY chips/tags should be a passive chip, so that the chip is not dependent on internal battery.
- h) In a case of requirement, the detailed report of each lap shall be generated.
- i) The RFID TECHNOLOGY timing system shall have connect with power backup upto 8 hours and shall run even in a case where there is a breakdown in main electric power supply. In such a case, the data has to be stored on the RFID TECHNOLOGY timing system.
- j) The timing system should support TBSC (Time between same chip) feature, so that the same chip is not read more than once within the specified interval of time.
- k) The timing system should indicate any Electro Magnetic Interference within its operating area.
- l) The result generated shall be a PDF document and not be in Excel or any other editable format.
- a) Suitable computer interface with data recorder having storage capa of 160 GB (more than 70,000 candidates" records). Data may be retrieved in MDB format suitable for viewing in Microsoft access/Excel. Provision for USB & LAN interface for data portability.
- b) Robust system design to withstand power fluctuation from 170 V to 270 VAC.
- c) The Machine should not have any impact of voltage fluctuation.
- d) The Machine should not have any variations in measurements while operating on generator or normal power supply.

ANNEXURE-B1**gniricS (Marks system) of Physical Test :-Police Constable****Male Candidate (1600 Mtr. Running)**

Time taken to complete a distance of 1600 MTR	Marks
5 Minutes 10 Seconds or less	20
More than 5 Minutes 10 seconds but less than 5 minutes 30 seconds	18
More than 5 Minutes 30 seconds but less than 5 minutes 50 seconds	16
More than 5 Minutes 50 seconds but less than 6 minutes 10 seconds	14
More than 6 Minutes 10 seconds but less than 6 minutes 30 seconds	12
More than 6 Minutes 30 seconds but less than 6 minutes 50 seconds	10
More than 6 Minutes 50 seconds but less than 7 minutes 10 seconds	08
More than 7 Minutes 10 seconds but less than 7 minutes 30 seconds	05
More than 7 Min 30 Seconds	00

(If the candidate fails to run the distance of 1600 Meters then he will be given zero marks)

Male Candidate (100 Meter Running)

Time taken to complete a distance of 100 MTR	Marks
11.50 Seconds or less	15
More than 11.50 seconds but less than 12.50 seconds	12
More than 12.50 seconds but less than 13.50 seconds	10
More than 13.50 seconds but less than 14.50 seconds	08
More than 14.50 seconds but less than 15.50 seconds	06
More than 15.50 seconds but less than 16.50 seconds	04
More than 16.50 seconds but less than 17.50 seconds	01
More than 17.50 Seconds	00

(If the candidate fails to run the distance of 100 Meters then he will be given zero marks)

Male Candidate – Shot Put (Weight of Shot Put is 7.260 Kg.)

Shot put distance (in meter)	Marks
8.50 Meters or more	15
7.90 Meter or more but less than 8.50 Meter	12
7.30 Meter or more but less than 7.90 Meter	10
6.70 Meter or more but less than 7.30 Meter	08
6.10 Meter or more but less than 6.70 Meter	06
5.50 Meter or more but less than 6.10 Meter	05
4.90 Meter or more but less than 5.50 Meter	04
4.30 Meter or more but less than 4.90 Meter	03
3.70 Meter or more but less than 4.30 Meter	02
3.10 Meter or more but less than 3.70 Meter	01
Less than 3.10 Meter	00

(Three chances should be provided to each candidate. Out of the three opportunities in which the candidate has secured more marks, the marks should be awarded taking into account the opportunity) If the tossed ball lands in the middle of the demarcation line, the candidate will be awarded marks in the nearest upper category.

(E.g. If the shot distance is 8.50 Meter then the candidate will be awarded 15 marks)

Female Candidate (800 Meter Running)

Time taken to complete a distance of 800 MTR	Marks
2 Minutes 50 Seconds or less	20
More than 2 Minutes 50 seconds but less than 3 Minutes 00 seconds	18
More than 3 Minutes 00 seconds but less than 3 Minutes 10 seconds	16
More than 3 Minutes 10 seconds but less than 3 Minutes 20 seconds	14
More than 3 Minutes 20 seconds but less than 3 Minutes 30 seconds	12
More than 3 Minutes 30 seconds but less than 3 Minutes 40 seconds	10
More than 3 Minutes 40 seconds but less than 3 Minutes 50 seconds	08
More than 3 Minutes 50 seconds but less than 4 Minutes 00 seconds	05
More than 4 Minutes 00 Seconds	00

Female Candidate (100 Meter Running)

Time taken to complete a distance of 100 MTR	Marks
14 Seconds or less	15
More than 14 seconds but 15 seconds or less	12
More than 15 seconds but 16 seconds or less	10
More than 16 seconds but 17 seconds or less	08
More than 17 seconds but 18 seconds or less	06
More than 18 seconds but 19 seconds or less	04
More than 19 seconds but 20 seconds or less	01

Sir,

Having examined the Bid Documents of **TENDERNO.** _____
We, _____, offer to supply and deliver _____
(Name of the Firm)

(Description of Stores and Services) in conformity with the said tender provisions for sums as may be ascertained in accordance with the Schedule of Prices provided in the Commercial Bid.

We undertake, if our bid is accepted, to complete delivery, installation and commissioning of the System as per the schedule specified in the Tender.

We further undertake that, if our bid is accepted, we will obtain the Guarantee of a Scheduled Bank in a sum equivalent to 3% of the Contract Price for the due Performance of the Contract as per **terms and conditions** of the Tender.

We agree to abide by this bid for a period of 6 calendar months from the date fixed for bid opening and it shall remain binding upon us and may be accepted at any time before the expiration of that period. This bid together with your written acceptance thereof and your notification of award shall constitute a binding Contract between us.

We have noted the contents of Contract Form (Chapter 6) and agree to abide by terms and conditions in the same.

We understand that you are not bound to accept the lowest or any bid you may receive. We also understand that you have the right to vary the quantities and/or split the total order among the Bidders and / or procure the Services according to the need and available budget.
